

Diagramming History

World History: Patterns of Interaction
Module 21: The Industrial Revolution
Lesson 3: "Industrialization Spreads"
(Page 836)

1. Start with the main topic of your diagram.

a. "The Rise of Christianity"

Instructions

Either using a pencil and poster paper or an online diagramming program like Coggle, create an interactive set of notes for this reading. Students will be divided into groups of 3.

Each Member of the group will be responsible for one part of Lesson 3. Insert these questions, along with answers where it is appropriate in your Coggle. Some of these questions require thought and are not just obvious in the reading.

- 1. Industrial Development In The United States (Person 1)**
 - Why did Britain want to keep industrialization secret?
 - Why might railroads be even more important to U.S. industrialization than to British industrialization?
- 2. Continental Europe Industrializes (Person 2)**
 - Why do you think Cockerill took secret plans to Belgium?
 - How did German industry help create political unity?
- 3. The Impact of Industrialization (Person 3)**
 - What did less developed countries get from industrialized nations?
 - How do you think industrialized nations chose the areas they would colonize?

When your group is finished, each person will present their part of the Coggle and questions that you came up with, will be discussed within your group. Each Group will share out their Coggle to the other groups.

Links To Outside information

Instruction: As you develop your diagram, when you come to information or topics you feel need more information or are just curious about- search out a link to add to your diagram. Chances are your readers will also be curious as well. Each Main topic should have a couple outside links within it.

Grading

0-4 Rating

When we finish the Coggle, each group will share their Coggle with another group to be evaluated. Groups will also evaluate their own work as well.

Organization: Notes are organized in a way that allows the viewer to understand relationships to other notes, chronological order or denotes the visual organization of Topics and Subtopics. Information is not in random order.

Concepts: Concepts are located with the Notes they correspond to. Remember: Concepts are broad topics that are adaptable to many topics and not specific.

Questions: are located in relation to the information they correspond with.

Links: Coggle includes links to sites that explain further the topic or subtopics.
